

## **Help for All Medicare and Other Patients during National Health Crisis**

You do not have to risk exposure in a waiting room during our health crisis. You can see board certified Dr Thaker by video or phone during the corona virus crisis for basic medical care.

Medicare and The White House 03/17 authorized doctor visits by both phone and video calls (MD office portal or Skype). Dr Thaker offers primary care by telemedicine and house calls to assist Medicare patients [other insurances may also cover costs] during the health crisis.

**See Dr Thaker now 8a-8p by:**

**Skype: rithaker76**

**telephone consult: 702 979 5012**

**house call visit by Dr Thaker**

**MD office portal video (preferred)**

Board Certified family med (abms), pain management (nonabms) Non emergencies, 8a-8p. Call 911 for emergency. Requires Medicare/ID. Other insurances considered. Terms apply, inquire. Dr Thaker advises follow up office visit asap once possible.
